## Borzoi Rescue – Northern California

### SURRENDER AGREEMENT

Occasionally, a Borzoi may be unsuited to its current situation and a new, permanent home is needed. Borzoi Rescue – Northern California, Inc. agrees to provide adequate daily care, clean water, food, shelter, and veterinary care as needed while placement is sought.

The undersigned legal owner/s agree to transfer ownership of the Borzoi listed below and to relinquish all rights to and responsibility for the listed Borzoi from this date forward. The owner/s also agree to supply any registration certificates and veterinary health records available and any other information concerning the dog to BR-NC.

BR-NC respectfully requests a donation of \$100 to help cover our costs – however, no dog will be refused. As an all-volunteer organization, BR-NC depends on the generosity of concerned animal lovers. All donations are greatly appreciated and go toward animal care. Donations are tax-deductible as allowable by law.
